Heat Exchanger Services

EMCOR Group, Inc. is a Fortune 500® company with 2010 estimated revenues of \$5.1 billion, EMCOR Group (NYSE: EME) is a global leader in mechanical and electrical construction, energy infrastructure and facilities services. EMCOR represents a rare combination of international reach with local execution, combining the strength of an industry leader with over 24,000 highly skilled employees and 170+ locations.

## EMCOR Expertise Adds Value for the Life of Your Facility.

**Green Solutions:** From indoor air quality, to energy services, to helping facilities meet LEED® certification guidelines, EMCOR helps clients boost productivity and maximize energy budgets.

**Building Information Modeling:** We lead our industry in the use of 3-D building information modeling (BIM) to anticipate problems, address them in advance, and deliver more efficient and cost-effective building solutions.

**Customer Solutions Center:** Our specialized team gives property owners and managers access to a broad range of facilities services, plus a huge database on facilities operation and services.

**Safety, Quality, and Productivity:** Our deeply embedded safety culture keeps our safety performance consistently better than the industry average. For our clients, that means higher productivity, on-time performance, and consistently high-quality and cost-effective service.

## EMCOR Provides End-to-End Services in **All Major Market Sectors.**
